

Arian GHORASHI

Sales, Management & Customer Service

PROFILE

Sales-focused professional with experience in automotive retail, customer service, hospitality management and high-volume delivery. Confident building rapport, identifying customer needs, presenting products and services, handling objections, discussing pricing and payment options, and following up to support a sale. Experienced in taking responsibility for day-to-day operations, customer issues and service standards. Adaptable, target-driven and comfortable working across automotive, retail, technology, hospitality and other sales environments. Quick to learn new products and systems, with a strong work ethic and a clear focus on customer experience and results.
